

Our Policies

For our customers who are younger than 18 years of age
We are happy to welcome you to our store, but we have to follow the rules of the Health Department in order to help you. Both the minor and parent need to have state-issued IDs.

If you would like to get pierced or tattooed at our store, please bring with you:

- 1: Your own parent.
- 2: Your parent's state or federally issued photo ID.
- 3: Your ID. (Here's the tricky part, pay attention!) This can be either a state issued photo ID, learners permit, a passport, or a school ID PLUS your birth certificate. School ID does not work without your birth certificate.
- 4: If your last name or address is different from what is shown on your parent's ID please provide proof that they are your parents.

We DO NOT tattoo minors younger than 16 years of age!

We DO NOT pierce minor's private parts!

(Seriously parents, we are not perverts, and we are NOT touching your kids nipples or genitals. Do not ask us this. (We will laugh at you in public for being a piece of crap.)
